Objet :

Votre comité exprime un intérêt en envoyant une partie des jeunes gens à notre conférence en Août 1985

Comme nous voudrions que des jeunes pauvres et riches soient capables de venir, nous n'attendons pas d'eux qu'ils paient d'eux, au delà de 10 livres par personne et par semaine. Nous sommes en train d'exciter (de traiter) un parrainage (une garantie) pour un coût de 100 livres par semaine, en ce compris les frais de voyage.

Cependant si vous croyez que votre comité, le gouvernement, ou même un autre organisme pourrait nous aider, nous vous serions reconnaissants de les contacter pour notre compte.

J'ai résumé un programme et certaines informations concernant notre conférence. Nous voudrions savoir le nom des jeunes que vous enverrez vers le 1er JUIN 1985 et si vous n'avez pas de parrainage, ou une forme ou une autre.

Sincèrement votre

Dear *Secretary*

Your Committee expressed an interest in sending a party of young people to our Camp/Conference in August 1985.

As we would like young people both rich and poor to be able to come, we do not expect them to pay for themselves, other than a charge of £10 per person per week, and are trying to raise sponsorship for the actual cost of £100 per week plus travelling expenses. We have written to Airlines, Ferry Services, Student Travel associations, National, and International companies.

However if you feel your committee, Government, or any one else could help we would much appreciate your contacting them on our behalf.

I have enclosed a programme and some more information about the Camp/Conference. We will need to know how many young people you will be sending by 1st June 1985. And also if you have had any offers of sponsership, or help in any way.

Yours Sincerely

Lynn McClements
