Dear Sir,

Re : Follow up on project

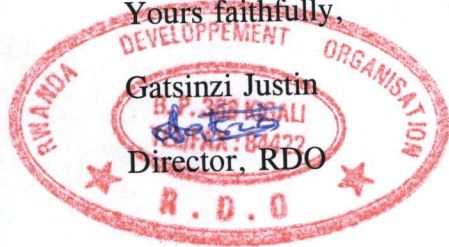

I am writing to find out the status of the projects studied by RDO in collaboration with your department, namely :

- Youth Economic Empowerment
- Formation of Youth Structures
- Youth Participatory Rural Appraisal

Meanwhile, I would also wish to present another Proforma Invoice for the consultancy service rendered to your department after waiting for the response of the preceded one in vain.

Looking forward to your cooperation.

Yours faithfully,

Gatsinzi Justin
