I. UMUSOGONGERO

Si ubwa mbere mva mu ihugurwa ngo ngire igitekerezo cyo kuba nageza ku Banyarwanda n'Abanyarwandakazi icye naba ndivanyemo.

Mu itangira ry'umwaka wa 1987 ubwo navaga mu ihugurwa muri za Banki z'Abaturage nanditse udutabo tubiri tw'urubyiruko : URUMURI na KAZUBA.

Utwo dutabo dukubiyemo ibitekerezo byafasha urubyiruko ruri mu mashuri kumva ko rufite kugira uruhare runini mu majyambere y'u Rwanda, igehe rukiri muri ayo mashuri.

Ubu mvuye na bwo mu ihugurwa muri Ministeri y'Urubyiruko no Gutsura za Koperative; iyo Ministeri ishinzwe ahanini urubyiruko rutize cyangwa rutashoboye gukomeza amashuri.

Iryo hugurwa na ryo rinsigiye aka gatabo : INYENYERI.

Gakubiyemo ibitekerezo byakwibutsa Umunyarwanda n'Umunyarwandakazi ujijutse ko ahanzwe amaso n'urubyiruko ndetse n'abakuru baba bacyugarijwe n'icyago cy'ubujiji. Ibyo bitekerezo byanatuma anagira umutima wo guhaguruka adatinze akaba yatanga UMUGANDA wo kurwanya icye cyago kidindiza kandi gifite kuzahora kidindiza u Rwanda mu nzego nyinshi, kiramutse kitabonewe umuti.

Ari aka gatabo ari na turiya tundi tubiri, twose dukubiyemo ibitekerezo ngira ku bibazo bimwe na bimwe Igihugu cyacu gifite. Uwabishaka wese twafatanya kubigorora, kuko mbitanga ntekerez" kandi nifuza ko byagirira akamaro urubyiruko ndetse bikanateza u Rwanda imbere.

Twese dutinyutse kujya dutanga ibitekerezo byacu ku bibazo by'Igihugu, tukanabijyaho impaka twabibyaza ibintu by'ingirakamaro.

Si Leta gusa irebwa n'ibibazo by'u Rwanda; buri wese ku giti cye, cyane cyane ujijutse biramureba; kandi yagombye kutiyibagiza ko agomba kugira uruhare ruto cyangwa runini mu kubisobanura.

U Rwanda ni twese, ibibazo rufite ni ibibazo dusangiye ari umukire ari umukene, ari umuto ari umukuru, ari umugore ari umugabo, ari umukecuru ari umusaza, buri wese yarushaho kwishima ibyo bibazo bibonewe umuti. Ni yo mpemvu buri wese yari akwiye gutanga icye afite, UMUGANDA yumva yaha Igihugu ntatindiganye kuwugaragaza.

Igihe gitakaye ngo ntikigaruka. Nta we ukwiye kwicara ngo yinumire, ategereze kuzicuza, abonye ibibazo yarafite gusobanura nta garuriro bigifite.

Nta kibazo kitagira igisubizo, kandi si kenshi ibibazo byisobanura. Twese dukwiye kuba maso, tukabona ibiriho; tugatega amatwi, tukumva ibivugwa; tugashakira hamwe ibyabaho bishya byatuma tuva mu mwijima tukajya ahabona.

II. IBIRIHO BIRAVUGWA

Urubyiruko rw'ubu ruregwa "guta umuco" bikaba bikubiyemo byinshi : kutumvira abakuru, kutabubaha, kutabaha icyubahiro bakwiye; kwiyandarika, kuba indakoreka; kvirukira ibyo mu mahanga biyangisha iby'iwabo, kutitabira imirimo y'amaboko, kudashyigikira imikino gakondo n'ibindi.

Mu magambo make urubyiruko rw'ubu ntirushyigikiye rushikamyé ibyiza dukesha abakurambere n'ibyiza dukesha abarebera Ighugu muri iki gihe. Ibi byose bikaba byaba intandaro yo kudashyigikira n'ibyiza byazava kuri ibyo byiza bya kera n'iby'ubu. Umuco kandi ni wo shingiro ry'amajyambere. Niba rero urubyiruko rutawubumbatiye, rutawakiriza amaboko yombi, ntirushyigikiye amajyambere yazarufasha kubaho no kumererwa neza mu minsi iri imbere. Urwo rubyiruko se rwazageza ku u Rwanda rw'ejo ? Ni iki rwiteganyiriza mu bihe bizaza ? Ko ibyiza bizaza bitegurwa hakiri kare kandi bigashignira ku byiza byahozeho n'ibiraho !

Ababyeyi b'ubu baregwa kudohoka ku murimo wabo w'uburezi; ibi bikaba bifitanye isano n'imyifatire y'urubyiruko rw'ubu. Ibyo ababyeyi batoza abana babo, urugero babaha, imbuto babafasha kubiba ni zo bazasarura. Utetanya kuzasarura byinshi kandi byiza, arabivunikira; arwanya isuri ndetse akanafumbira. Gusarura ibyo umuntu atahinze ntibihira benshi; si na kensi bishoboka.

Ibibazo by'igihugu iyo bibaye urudaca, abagituye bose bapfana Leta; arike Leta ni twese; ubwo ibibazo iyo byabaye insobe twitana bamvana; tukiyibagiza ko buri wese ku giti cye, abifitemo uruhare. Abashyize hamwe ngo Imana irabasanga !

N'ubwo iyo Mana itagarara, nta wahakana ko abashyize hamwe, bashishikaye, batabeshyana, bagambiriye ibyiza, bagera kuri byinshi.

Iyo bashyikirana, batishishana, bungurana inama, igitekerezo cy'umwe cyunganira icy'undi, bumva neza ibyo bagamije, ntihabura agashashi gataruka, kakabonesha byibuze buhoro ahari umwijima.

Ibiriho biravugwa, bimwe bigatangazwa mu ruhame, ibindi bigatangazwa bucece. Umukurambere wacu Musenyeri BIGIRUMWAMI Aloyizi yifuje ko Umunyarwanda yaba umuntu nya muntu, ubwo yagiraga ati : "Umuntu baribwira, barabwirwa, batereriyo". Uwo mukurambere yifuje ko buri wese ku giti cye yakwisuzuma akirinda kuba BATERERIYO, ureba ntabone, yabwirwa ntuyimve; akaba yaba byibuze BARABWIRWA, utabona neza, ntuyimve neza, gusa agakizwa no gutungirwa agatoki, yabwira akumva.

Uwo mukurambere yabwiraga nde ? Aho si abazi gusoma no kwandika ? Aho si Abanyarwanda n'Abanyarwandakazi bajijutse ?

Bo bafite kumenya bitabagoye ibyatangajwe byose, byaba ibyatangajwe bucece cyangwa mu ruhame !

Babaye se aribo baba barumvise uwo mukurambere ?

Baba se baratungiye agatoki rubanda nyamwinshi bacyugarijwe n'icyago ey'ubujiji ?
Baba se barabagejejeho ibitekerezo n'ibikorwa ntangarugero, byabavana mu bwigunge nabo
bakajya ahbona, bagashishikarira imirimo isanzwe ibatunze, bakayibyaza umusaruro
utubutse, baheraho bagerageza gukora ibindi bikorwa byabateza imbere kurushaho ?
Babaye barakoze batyo byaba yenda ari byo wa mukurambere yifuzaga. Ariko se abo bajijutse,
bazi gusoma no kwandika n'ibindi bihanitse, babaye bataraharaniye byimazeyo ibikorwa
nk'ibyo, bakaba ahubwo baratereye agati mu ryinyo, bakinumira, igitekerezo "Umuntu
baribwira, barabwirwa, batereriyo" cyaba cyari kigamije iki ? Cyaba cyari kigenewe nde ?

II.1. Urubyiruko

Muri iki gihe mu Rwanda, ibibazo by'urubyiruko bifite umwanya w'unwihariko;
si muri Radiyo, si mu manama no mu mayira gusa, ni hose; n'abana biga kuvuga, usanga
bagerageza kuvuga ngo "EJO NZAMERA NTE ?". Ibyo bibazo ariko byahozeho; gusa ibibazo
birarutana, iby'inxitane bigashakirwa umuti mbere y'ibindi; nk'iby'ubwigenge, amahoro
n'ubumwe bw'Ighugu, ... ni byo byabanje kwitabwaho.

Ibibazo byose ty'igihugu bireba Leta. Mu gusobanura ibibazo by'urubyiruko
cyane cyane urutarize n'urwavuye mu mashuri ntacyo ruvanyeyo cyarugoboka mu buzima,
Leta yarushinze "Ministeri y'Urubyiruko no Gutsura za Koperative".

Abanyarwanda bafite hasi y'imyaka 25 bageze hafi 70 ku 100 by'Abanyarwanda
bose, ubwo ni hafi 4.900.000 uwakwibuka ko Abanyarwanda twese dukabakaba 7.000.000.
Ministeri y'Urubyiruko, ishinzwe urubyiruko rubarirwa kuri 1.500.000 rufite imyaka 15
kugeza kuri 25.

Urwo rubyiruko ruri hafi ya 40 ku 100 by'Abanyarwanda bafite gukora imirimo ibyara
umusaruro. Urubyiruko 100.000 rwiyongera buri mwaka ku baturage bashaka akazi; 50 ku
100 muri bo baba batazi neza, cyangwa batazi na busa gusoma no kwandika. Muri urwo
rubyiruko hafi 1 ku 100 ni bo bonyine baba bafite impamyabushobodzi yabahesha akazi
muri Leta cyangwa se mu bigo byigenga. Ibi birababaje cyane.

Urwo rubyiruko rurebwa na Ministeri y'Urubyiruko igerageza kurwigisha, mu
Bigo by'urubyiruko, no kurubumbira mu mashyirahamwe kugira ngo ibone uko yarugoboka
rudatatanye.

Ariko ukurikiranira hafi ibyo mu Rwanda, yabona atarushye ko iyo Ministeri yonyine
atari yo izasobanura ibibazo bya ruriya rubyiruko.

Uwareba neza yabona ko n'ubwo yiyambaza abagiraneza bo mu mahanga, urubyiruko rwanga
rukarengwa n'ibibazo.

Ibyo bibazo kandi bituruka ahanini ku bujiji; nka bamwe mu rubyiruko usanga
birukira imigi bahunga icyaro, ngo bateze amakiriro mu kazi k'ububoyi n'ak'ubuyaya.
Abandi balgahitamo kwirirwa babuyera batazi iyo bajya, aho batahukiye, imico mibi baba
bararuye iyo mu mihana bakayitura ababyeyi babo; ~~na~~ ibyo ibitutsi, ubugome, ubwomanzi,
ubunebwe n'ibindi.

Ubuji ni indwara mbi cyane. Igihe cyose urubyiruko ruzaba rutarumva ko rugomba kwegera ababyeyi, bagashyikirana, bagashyira hamwe mu bitekerezo no mu bikorwa, ntirashobora kumvikana n'abandi badafite n'icyo bahuriyeho baza babasaba kwishyira hamwe mu bikorwa byabateza imbere.

Uzaza wese agerageza kubashyira hamwe azagira ingorane, kuko ubwumvikane, ubufatanye, ukwihanganirana bagombye kuvana mu miryango yabo, bikaba ari byo uko gushyira hamwe n'abandi byagombye gushingiraho, nta byo baba bafite mu maraso no mu mitima yabo. Ni yo mpamvu mbere ya byose hagombye kubaho ubufatanye bw'ababyeyi n'abana babo.

II.2. Ababyeyi

Ababyeyi ni bo mbere na mbere barebwa n'ibibazo by'abana babo. Ibibazo by'abana ni ibibazo by'ababyeyi babo.

Nta wakwiyibagiza ko Igihugu cyacu gifite umutungo muke, kandi ubukene bukunze kujyana n'ubujiji.

Abanyarwanda barenze 90 ku 100 batunzwe n'ubuhinzi, bafite umutungo muke cyane ugereranyije no mu bindi bihugu; kandi abenshi muribo ni abatazi gusoma no kwandika.

Ubuji rero si indwara iri mu rubyiruko gusa ahubwo iri no mu bakuze.

Leta n'abagiraneza ntibahwemye kurwanya ubujiji; bubaka amashuri y'urubyiruko n'Ibigo bijijura ~~abakiray~~ abakiray ubutitsa, batanga inama zitari zimwe; ariko kubera amikore yabo make icyo kibazo kiracyari ingorabahizi, kandi gikurura n'ibindi bibazo bitabarika, cyane cyane ibibazo byose bizitira inzira y'amajyambere.

Nta we uyobewe ko bikomeye gukangurira amajyambere umuntu w'injiji; kugira ngo yumve bisaba ubwitange bw'umugira inama, kuko agomba guhora amusubiriramo ibyo ashaka ko yakora, ndetse akamuha n'urugero rugaragara rwamwemeza ko ibyo amubwira atari amagambo gusa; bityo agakunda agakurikira inama agirwa.

Kurwanya ubujiji rero bikomeje gukorwa nk'uko bikorwa ubu, imyaka yahita indi igataha, amajyambere dukunze kuririmba ntituyagereho nk'u tubyifuza; ndetse n'abajijutse bamaze kugira icyo bigezaho, bafite kudindizwa n'uko imbaga nyamwinshi idafite ubushobozibwo kugera ku majyambere aciriritse; kubura ayo majyambere ni byo bifite kubabuza gushyigikira amajyambere n'ibyiza byose byagéweho n'abo bagombye kubunganira, abo bajijutse bagombye kubabera urumuri, cyangwa se inyenyeri.

Abanyarwanda rero bajijutse bagombye kuba intangarugero, haba mu bikorwa ndetse no mu bitekerezo byafasha abakiri injiji gukanguka, bakitabira bashishikaye ibikorwa byose bigamije kubateza imbere; bakabumvisha ko bagomba gukora igitondo n'iki-goroba, kugira ngo bagire icyo bageraho kigaragara, cyabizeza ko bazashobora kubona iby'ingenzi byatumva bazagira ubuzima n'imibereho myiza.

II.3. Leta

Ibibazo by'u Rwanda byose bibazwa Leta. Ahanini ni yo igira uruhare mu kubisobanura yitabaza umutungo wayo cyangwa se inshuti z'amahanga iyo bibaye ngombwa.

Ibihugu bifite umutungo utubutse nabyo bigira ibibazo, n'ubwo bidasa n'iby'ibihugu bifite umutungo mukeya. Leta y'u Rwanda iyaba yari ifite umutungo utubutse, yakora bimwe na bimwe isaba Abanyarwanda kwikorera cyangwa se isabamo inkunga y'amahanga. Si igitangaza rero niba Leta isaba UMUGANDA buri Muturarwanda, igasaba n'inkunga mu bihugu by'inshuti cyangwa mu miryango mpuzamahanga.

Umuganda rero Leta isaba buri Munyarwanda na buri Munyarwandakazi yari akwiye kujya awutanga ashishikaye.

Ukorwamo byinshi oy'ingirakamaro, umuntu wese ushyira mu gaciro kandi wumva ibibazo by'u Rwanda uko biteye, yari akwiye kwishimira no gushyigikira nta gushidikanya. Nta Munyarwanda ujijutse kandi, wakwishimira ko Leta yongera imisoro cyangwa ngo yongere inguzanyo mu mahanga kugira ngo itunganye ibikorwa bifite kugerwaho n'amaboko y'Abaturarwanda ubwabo.

Leta n'ubwo yashyizeho Ministeri y'Urubyiruko kugira ngo ikurikiranire hafi ibibazo byarwo, ntibyabuza n'abumva ibyo bibazo uko biteye, n'ubwo byaba bitabareba by'umwihariko, kuba bagira uruhare mu kunganira iyo Ministeri kurangiza ibyo Leta yayishinze.

Leta ni twese, Munyarwanda uyiha umuganda, n'ubwo yaba itawumusabye aba yikorera. Ministeri y'Urubyiruko yashinzwe umulimo utoroshye, kwita ku rubyiruko rutize n'urutarangije amashuri yarugirira akamaro.

Iyo Ministeri yari ikwiye UMUGANDA udasanzwe.

Ministeri y'Urubyiruko igomba kurwigisha, ikarugira inama ubutitsa ikarushakira icyazarubeshaho. Yitabaje amikoro yayo ay'amakomine amwe n'abagiraneza, ubu ishyigikiye Ibigo by'urubyiruko 64; 19 ni yo ibigenga ku giti cyayo, 20 bigengwa n'amakomini, 25 bikaba bifashwa n'abagiraneza.

Ibyo bigo byigisha cyane cyane iby'imyuga (ubwubatsi, ububaji, ubukanishi, ubudozi ...) n'iby'ubuhinzi-bworozi.

Ibyo bigo ariko biracyari bike cyane; byo na za Serayi, ubu byakira buri mwaka 10.000 by'urubyiruko; ubwo ni 10 ku 100 gusa by'abari bakeneye gutozwa iby'imyuga. Inzira rero iracyari ndende.

Abarangije mu Bigo by'urubyiruko ndetse na za Serayi, Ministeri igerageza kubahumbira mu mashyirahamwe.

Ayo mashyirahamwe akaba ariye azabyara amakoperative, amakoperative na yo akazabyara amasosiyete mato cyangwa manini.

Ministeri y'Urubyiruko ishyigikiye cyane urubyiruko rwibumbiye mu mashyirahamwe n'ubwo rwaba rutarageze mu Bigo by'urubyiruko.

Buri mwaka igenera buri Perefegitura amafaranga 300.000 yo kuguriza amashyirahamwe yagaragaje ko akora neza.

Ishyirahamwe riyabonyeho rifite kuyakoresha mu gihe cy'imyaka itatu, rikabona kuyishyura, nta nyungu Ministeri yaka kuri iyo nguzanyo.

Aha ntitwakwibagirwa inkunga y'amafaranga 3.000.000 Umukuru w'Ighugu yageneye urubyiruko rwa buri Perefegitura rwibumbiye mu mashyirahamwe, igihe cyo gusura no gutangiza imishingga muri 1987.

Ministeri y'Urubyiruko kandi hari ubwo iha amashyirahamwe amwe n'amwe ibikoresho by'ifatizo.

Ariko ibibazo by'amashyirahamwe ni byinshi. Abura aho akorera kubera ubutaka bugenda burushaho kuba buke; ahura n'ibibazo by'ubuyobozi n'ubucungamari; ahura n'ibibazo by'ubumebwe no kutihangana by'urubyiruko iyo bahuye n'iagerane; abura aho agurishiriza ibyo yagezeho, cyane cyane ibyavuye mu bukorikori, ... ibi byose bituma umusaruro wayo uba muke, bityo ntushishikaze urubyiruko mu mirimo ruba rwariyemeje gukorera hamwe. Ibyo bibazo ariko biterwa ahanini n'uko abakozi ba Ministeri y'Urubyiruko bashinzwe kurugira inama bakiri bake cyane; n'abo ifite, benshi muri bo baba badafite ubumenyi buhagije mu byo kugira inama urubyiruko. Ibi biterwa n'amikoro make y'iyo Ministeri.

Ministeri y'Urubyiruko ariko nticika intege; mu gushaka kumenya no gushyigikira ayo mashyirahamwe ikoresha buri mwaka irushanwa ry'ayo mashyirahamwe ndetse na za Serayi n'Ibigo by'Urubyiruko; ababaye aba mbere barahembwa, bakaba baterwa n'izindi nkunga. Gusa amashyirahamwe atinyuka kwiyandikisha mu irushanwa ni make, nko muri 1986 ku mashyirahamwe arenze 1.000 yabarurwaga 459 ni yo gusa yiyandikishije.

Ubwo ayo yonyine ni yo yari afite ibikorwa bigaragara yakverekana. Ayandi asigaye ubwo aracyacumbagira cyangwa se yasenyutse nta cyo yari yageraho.

Mu gushyigikira kandi ibikorwa by'urubyiruko, Ministeri iteganya kuzajya ihora ikoresha buri mwaka Isangano ry'urubyiruko. Ni icyumweru cy'imyidagaduro n'imurika-gurisha ry'ibyagezweho n'urubyiruko.

Ministeri y'Urubyiruko iteganya byinshi; ibarura ry'ibikorwa byateza imbere urubyiruko, ryatangiye muri 1987, rizayifasha kurugira inama mu bikorwa byarugoboka; ubutaka butagira icyo bukorerwaho n'ibishanga, ibiteganyiriza urubyiruko; yisunze Banki y'Abaturage izafasha urubyiruko rwishyize hamwe kubona inguzanyo rukeneeye.

Dushyize hamwe ibyo Ministeri yagezeho n'ibyo iteganya kugeraho, cyane cyane tukibuka ko Ibigo by'Urubyiruko na za Serayi byakira buri mwaka 10 ku 100 by'urubyiruko rwari rukeneye kwiga imyuga, kandi n'abbarangije muri ibyo bigo ntitwiyibagize ko bese batabona akazi kabaha umusaruro ugaragara, birerekana ko iyo Ministeri igikomerewe.

Uwashishoza wese yabona ko atari amikoro yayo, imfashanyo n'inguzanyo by'amahanga bizasobanura ibibazo by'urubyiruko. Ahubwo yabona ko ari imbaraga zindi zizavuka mu Rwanda zizagira uruhare runini mu kubonera umuti ibyo bibazo. Izo mbaraga nta handi zizava nizidaturuka ku Banyarwanda n'Abanyarwandakazi bajijutse, bari hirya no hino mu makomini y'u Rwanda. Ni bo bazi neza ibibazo by'urubyiruko ndetse n'iby'u Rwanda rwose uko biteye, ni bo rero bafite kubisobanura.

III. HABAHO INYENYERI

Hari abantu bavuga mu ruhame bakumvwa na benshi; hari amakuru n'ibitekerezo bitangwa muri Radiyo, ibinyamakuru ibitabo by'Abanyarwanda, n'ahandi; ibyo byose abagira amahirwe yo kubigiraho uruhare nta washidikanya ko bibungura byinshi. Gusa ni Abanyarwanda bajijutse, kandi ni bo bake; abensi nta ruhare babifiteho kubera ubukene ndetse n'ubujiji.

Ikibabaza cyane ariko ni uko abagira amahirwe yo kugezwaho amakuru n'ibitekerezo batabizirikana kenshi.

Ayo makuru n'ibitekerezo ubanza bibageraho bahuze, cyangwa se bikabageraho bakabyumva neza ariko ntibibakore ku mutima. Bityo ijvi ryatabazaga rikarinda rirenga, rikomengana mu misozi n'amashyamba rigahura n'amajwi y'inyoni, ibisiga n'utundi dukoko, byose bikazimira; iyo bijya nta we uhazi.

Ibyabaho ni byinshi; mbere na mbere habaho kuzirikana amakuru n'ibitekerezo bitangwa; abagize amahirwe yo kubigewaho bakabisesengura bakaba bagira icyo babibyaza kigaragara, noneho bakabigeza ku batagize amahirwe yo kumenya ibyo byatangajwe; byaba ari ibyakorwa bagafata iya mbere babishyira mu bikorwa, kugira ngo bababere urugero.

Hari abatanga amakuru n'ibitekerezo kuko babihemberwa, hari n'abandi babitanga ari uko umutima wabo ubibasabye.
