GRANTS FOR SCIENTIFIC MEETINGS
HELD IN DEVELOPING COUNTRIES FOR 1988 ACTIVITIES

Information

- The Third World Academy of Sciences, with generous funds provided by the Dipartimento per la Cooperazione allo Sviluppo of the Italian Ministry of Foreign Affairs and by the Canadian International Development Agency, is willing to consider applications for Grants to support scientific meetings to be held in Developing Countries in the following fields of Natural Sciences:

Biological Sciences Chemical Sciences Geological Sciences

- The purpose of the Grants is to encourage the organization of Regional and International Scientific Conferences, Workshops and special meetings in the Third World.
- *Scientific Institutions and Organizations* in Third World Countries holding meetings in their countries may apply for Grants to cover the travelling expenses of lecturers from abroad and/or young scientists from the region.
- *Organizers of International Conferences* being held in Developing Countries may apply for Grants to assist with travelling expenses of eminent scientists from Developing Countries, the expenses of principal speakers who are unable to obtain sufficient funds from other sources or travelling expenses for young promising scientists from the region.
- Applications should be made on the attached form and should state the relevance of the activity to the development of science in the country/region. Special consideration will be given to those meetings which are likely to benefit the scientific community in Developing Countries and to promote regional and international cooperation in developing science and its application to the problems of the Third World.
- The closing dates for receipt of completed requests are *1 June 1987* and *1 December 1987* for meetings to be held during *January - June 1988* and *July - December 1988*, respectively. Requests received after the closing dates will not be considered by the Academy.
- Requests should be sent to:
