Dear Sir

RE: APPLICATION FOR EMPLOYMENT

<sup>qr</sup> I hereby apply for employment in your Company as Mining Engineer, being the following qualifications:-

- (a) Currently doing my final year in School of Mines - B.Sc. Mining Engineering.
- (b) I have worked with Zambia Consolidated Copper Mines Ltd. (Z.C.C.M.) at Luanshya and Konkola Division (Underground Mines) for two years in Mining operations both as employee as well as training.
- (c) I have <sup>d</sup>one special study on <sup>r</sup>work mechanics (Geotechnical work studies - on high stressed areas).

At the moment I am writing my research project and final course for my fulfilment on my degree. I am single, 27 years old and a Tanzanian by Nationality. I am not bonded to any Corporation and can be available for work from 1st October, 1988.

Any relevant documents concerning the above information can be available on your request.

Yours faithfully

*Paul Mabella*
